CHOSEN

Dear Leader,

Thank you for investing in this unique resource, *Chosen*. We recognize that this resource can be used in a variety of settings with a variety of audiences so we have taken care to ensure that there's something for everyone. Whether you're an adult or a youth, you'll find everything you need to coordinate a successful screening and follow-up discussion. We have separated the contents of this CD into three main folders: Leader's Guide, Adult Pack, Student Pack. Each contains materials designed appropriately for the viewing audience.

The **Leader's Guide** is a collection of resources that will help the leader shape the overall presentation, facilitate thought-provoking discussion, and answer questions related to the topic of child sex trafficking. If you are hosting this event in a school setting, the guide also provides two critical resources: a letter to the school counselor and a document for educators on how to identify potential victims. The material contained in these documents is relevant to other adults and can be provided to parents. We encourage you to review all of the contents in the Leader's Guide before you begin.

Contents:

- Letter to School Counselor
- Educator's Resource
- List of Additional Resources
- Fact Sheet on Domestic Minor Sex Trafficking
- Discussion Questions (with answers) for Adults and Students
- Presentation Preparation for Adults and Students

The **Adult Pack** contains mature resources specific to parents, educators, community members or professionals. These materials are not designed for youth. It also has discussion questions designed for a mixed audience, an audience of men, or an audience of women.

Contents:

- Opening and Closing PowerPoint Presentations for Men & Women
- Opening and Closing PowerPoint Presentations for Men (only)
- Trafficking Terminology for Adults
- Discussion Questions for Adults (men, women, and mixed audience)
- List of Action Ideas for Your Community

The ***Student Pack*** contains resources made just for teens. This folder's contents can be utilized by adults or teens to create the presentation. The discussion questions are designed to be used with middle or high school students. Please note that the questions vary in maturity and may not all be appropriate for middle school students. The Student Pack also provides a pocket card with reminders for youth regarding who to call if they suspect trafficking.

Contents:

Opening and Closing PowerPoint Presentations for Students
Discussion Questions for Students (boys, girls, and mixed audience)
Trafficking Terminology for Students
Pocket Response Cards
Take Action Ideas for Students
